Premium Leather Goods & Footwear · REACH Compliant · Factory-to-Brand

GURGAON, INDIA

EST. 2003 · SMS GROUP

Why India?

\$6.5B+

Leather Exports FY26

India's total leather export value, up 25% year-on-year

2nd

Largest Footwear Producer

Second-largest footwear manufacturer in the world

20+

Years Group Legacy

Two decades of export excellence through SMS Group

25%

Year-on-Year Growth

Consistent double-digit export growth trajectory

India combines centuries of leather craftsmanship with modern REACH-compliant manufacturing, competitive pricing, and an integrated supply chain — making it the world's most compelling leather sourcing destination.

OUR STORY

Two Decades of Export Excellence

Founded in 2003 by **Lalit Jain** and led by CEO **Sandeep Jain**, Sun Merchandising Services (SMS Group) has earned an unmatched reputation across garments, home furnishings, handbags, and fashion accessories. Sun Cordovan India inherits this trust infrastructure — the same buyer relationships, freight forwarder network, and documentation discipline — now applied exclusively to leather goods and footwear.

- ❏ Headquartered in Gurgaon, Haryana — connecting international brands to India's finest BSCI/SEDEX-certified manufacturers.

WHO WE SERVE

Fashion Brands & Retailers

Mid-size brands sourcing leather shoes, boots, and accessories under their own label.

Wholesale Distributors

USA, UK, UAE distributors importing leather goods for chain stores and off-price retail.

Private Label Buyers

Brands wanting custom designs produced exclusively for them — from design brief to container.

Corporate & Gifting Buyers

Companies sourcing premium leather accessories for B2B gifting programs.

KANPUR · BUFFALO & BOVINE LEATHER

Sandals & Loafers

KOLHAPUR & AGRA · FASHION & COMFORT

Private Label Collections

ANY CATEGORY · YOUR DESIGN · EXCLUSIVE PRODUCTION

India's Leather Manufacturing Network

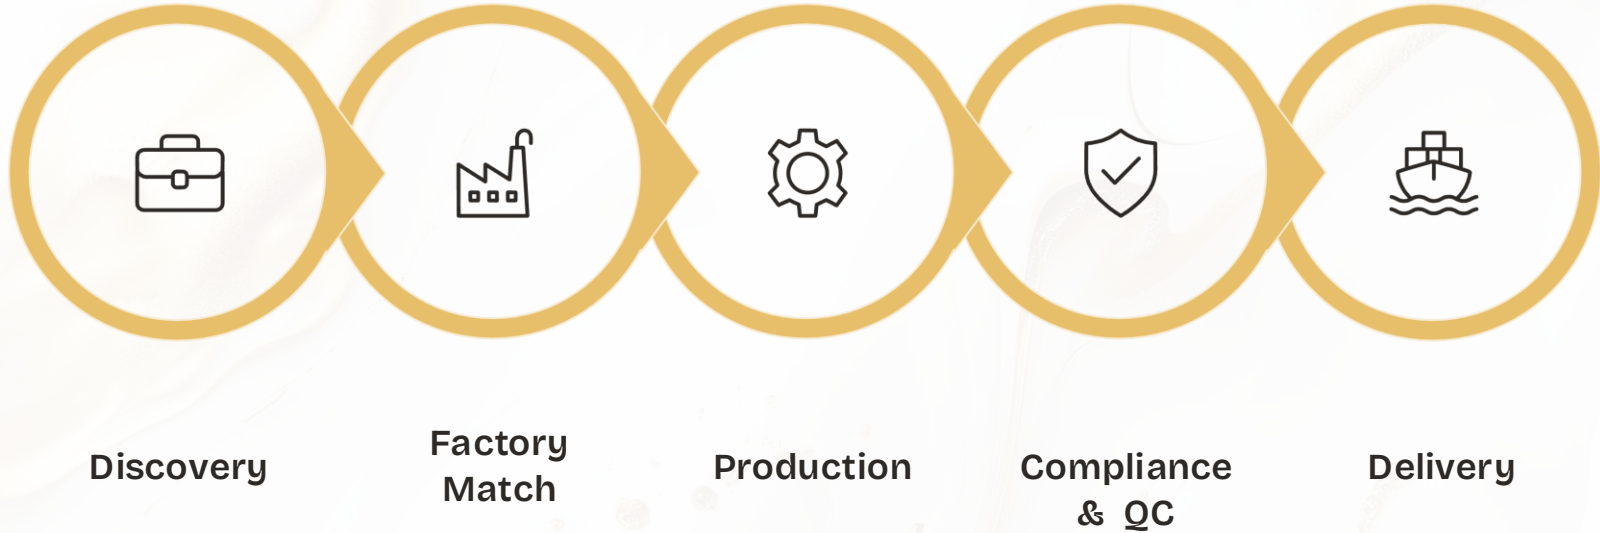

FACTORY NETWORK

SUN CORDOVAN provides direct access to India's four primary leather manufacturing clusters — each with distinct specializations, certifications, and production capabilities.

- **Agra** — 65% of India's shoe exports
- **Chennai** — 50% of India's tanning capacity
- **Kanpur** — 200-year tanning heritage
- **Kolkata** — Bata Leather Complex

OUR PROCESS

From first brief to final container, Sun Cordovan manages every stage — ensuring quality, compliance, and on-time delivery for every order.

QUALITY & COMPLIANCE

REACH Compliant

Full chemical safety testing — Cr VI (hexavalent chromium) and azo dyes — for EU and UK REACH post-Brexit markets.

BSCI / SEDEX Audited

All factories hold BSCI and SEDEX/SMETA certifications. SA8000 social compliance available.

AQL 2.5 Inspection

Random final-stage inspection with inline checks. Full photo documentation shared before container seals.

NABL Lab Testing

CPSIA for USA, UK REACH, OEKO-TEX ready, and Halal leather certification available.

Global Reach

Markets We Serve

Sun Cordovan serves established buyers across six key markets — with full compliance documentation tailored to each region's regulatory requirements.

- **US** — \$642M ankle boot imports (2024)
- **GB** — ASOS, Clarks, M&S sourcing
- **DE** — Deichmann, Picard buyers
- **AE** — Halal leather, GCC re-export hub
- **CA** — Growing leather goods imports
- **AU** — India FTA 2023 advantage
